The image displays two mobile application screens side-by-side, both enclosed in a green border. The left screen is a login page with two light gray input fields labeled 'username' and 'password'. Below these fields is a green button with the text 'LOGIN'. At the bottom of the screen, it says 'Not registered? Create an account' in green text. The right screen is a registration page with three light gray input fields labeled 'name', 'password', and 'email address'. Below these fields is a green button with the text 'CREATE'. At the bottom of the screen, it says 'Already registered? Sign In' in green text.

- ▶ 登入後下次重新啟動 App 會顯示已登入，顯示使用者的名字跟 email。（40%）
